General Information

TIME—Saturday, December 1, 1962. Sale starts promptly at 12:30 p.m.

LOCATION—The sale will be held at the Mitchell Livestock Auction Co., Pavilion, Mitchell, S. D., which is located on U. S. Highway 16 at the South East edge of Mitchell.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the seller, and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

HEALTH—All cattle will be sold according to the health regulations of the State of South Dakota. Buyers must be aware of any variations between the laws of South Dakota and their own states. Interstate health certificates will be furnished. Bangs vaccination has been practiced since 1936. All animals selling have been vaccinated for Lepto, and all calves for Blackleg.

CERTIFICATES OF REGISTRY—Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam.

Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

BREEDING DATES—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over data in the catalog.

AUCTIONEER—Jim Magness, Miller, S. D.

SALE MANAGER—Albert J. Hamann, Rock Rapids, Iowa.

Geo L Wright

Comments from A. C. Kelsey

Seventy years is a long time. However, I well remember the day in 1892 when my father, Clayton Kelsey, brought home the registered Shorthorn bull aptly named, DAKOTA LAD, which he had purchased from Geo. L. Wright, Winfred, South Dakota.

This bull was purchased for the sole purpose of starting a registered Shorthorn herd which was promptly done by obtaining registered females to mate to this bull. Since that time this herd has been maintained continuously with four generations of the family taking part in it at various times.

Shorthorns have been a source of livelihood and satisfaction to the entire family. They have provided education and experience, and many lasting friendships.

It is fully realized that for any recognition and honors that have come our humble way, our Shorthorns were responsible for.

Through the years it has always been the aim to progress by obtaining the best herd bulls we could obtain. They have not let us down. We feel that the entire herd is now at as high a standard of excellence and productivity as it has ever been.

It is not a pleasant thought to think of dispersing the herd after 70 years of continual association with it. However, everyone reaches an age when it is imminent that retirement is necessary and the future must be left to a younger generation.

It is a satisfaction that a member of the family will remain with Shorthorns to a small degree for the present, and very likely in time expand the herd to carry on.

Our one hope is that many of the wonderful brood cows and heifers will go to a good home and do well for others as they have done for us.

May we see our many friends, old and new, and all Shorthorn enthusiasts at Mitchell on Dec. 1.

Comments From The Sale Manager

The name of Kelsey and Shorthorns has been synonymous with South Dakota Agriculture and it's Livestock Industry for many years. Seven decades to be exact. Very few are the individuals such as A. C. Kelsey who have been associated with one herd for that length of time.

During that time three sons have been associated with their father at various times. Two sons have followed other lines of endeavor. At the present time, one son, Hagen, is still associated with his father. However, the last few years a great deal of his time has been consumed with public affairs.

Therefore, the decision to disperse this old and reliable herd. Although for the time being Hagen Kelsey will retain a few of the older cows that are past saleable age but still producing, and a few of the younger heifers. Thus, to a degree, the name of Kelsey will still be associated with Shorthorns and it is hoped that sometime in the future the herd will again be expanded.

That this is probably the oldest herd in South Dakota is probably beyond question. Further, considering the record of it's productions and it's improving influence on the breed, it is probably one of the best.

If you will study the catalog carefully you will note that only outstanding herd bulls have been used. The families are most dependable with a record of real productivity. The health is excellent, and calf-hood vaccination for Bangs has been practiced since 1936. Further, all animals have been vaccinated for Lepto and all calves for Blackleg.

Many more things might be said about this herd but I believe the original herd bull pedigree and the Certificate of Recognition to A. C. Kelsey by South Dakota State College shown on other pages of this catalog speak more for the background and prestige of this herd than anything I might say.

Therefore, I trust that many livestock people and Shorthorn people in particular will be on hand at Mitchell, South Dakota, on December 1 for this sale.

D & N SOUVENIR—This outstanding sire was purchased for \$2,750 in the 1952 International Sale, after making a great 2 year show record. In 1951 he was first in class at the Ohio State Fair and second at the International. In 1952 he was junior champion at the Ohio State Fair and Northern Ohio district show. Also, second in class and member of first prize group at the International. As a sire he has sired South Dakota State sale and Black Hills Winter Show sale: champions, State Fair, purple ribbon 4-H club heifers and winning steers. He sired both outstanding bulls and females. Now selling in this sale are 24 great cows by him who are all proven producers.

ARGEN CHARGER—This richly bred bull was purchased in 1957 after seeing some service in the well known Joel Hopkins herd at Granville, Ill., for whom he sired two calves that stood fourth in class at the International. He is sired by the well known Calrossie Rosewood Fortress who was a grandson of the noted Kirkton Baronet. His imported dam was a granddaughter of the famous Bapton Air Pilot. Since coming to the Kelsey herd he has sired many outstanding winners and individuals as you will agree sale day. Selling are 3 sons, 15 daughters, and 7 calves at at foot. Also 20 females carry his valuable service.

SHORE ACRES EXPRESSMAN—A very good and well bred young bull we purchased early this year to use on the daughters of Argen Charger. He is by the good sire Philorth Expression and his dam from a great family is by the great show and breeding bull Leveldale Basis. This young bull should sire top calves. Selling in this sale are 18 outstanding heifers that carry his valuable service.

Kelsey & Sons Grand Champion Bull by D & N Souvenir at the 1959 Black Hills Winter Livestock Show and Sale, Rapid City, South Dakota. A. C. Kelsey in center with Joan Hegg, South Dakota Lassie Queen at left, and Donald Denning, holding. This bull is a typical Kelsey production.

Standard Guarantee

OF

AMERICAN SHORTHORN BREEDERS'

ASSOCIATION

1. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after the date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
